# Fabulous festive frocks

Make sure you are the belle of the ball this party season in **HELLO!**'s pick of the most glittering and glam dresses

## Dazzle dust

Add some sparkle to your style with a glittering gold sequin dress. Don't be afraid to raise the hemlines or skim the floor - mini or maxi works this season.

## A touch of romance

For an alternative and more subtle party look, why not keep things natural with a gorgeously romantic flesh-toned dress.
